STOCKS SAC ON

Wall Street Hears There Will Increase in the Quarterly To-Be No Financial Legislation This Session and the List Drops Two Points.

Wall street neard this afternon legislaion in Congress this session, and prices immediately fell off, the man Overstreet, of Indiana, who is quoted as saying that no financial dend the stockholders can receive under bill need be looked for. As finanthe terms of the lease of the road to ciers had been quite confident that the Interborough Company. all around followed. There was a ing on Jan. 16 for the purpose of voting on the lease of the Company's property to the Interborough Company.

At this meeting the stockholders will

sage to Congress, which was read to 600 to \$60,000,000. Of this increase \$7,200. in Wall street before its official ap- mainder will not be issued util Jan. 1 pearance. The salient points of the document, as far as the financial district is concerned, were accurately forecast, and the secrecy which is popularly supposed to envelop the message of the Chief Executive was not regarded in Wall street.

mainder will not be issued util Jan. 1, 1906, when that clause of the lease to the Interborough guaranteeing 7 per cent. dividends to the "L" road stockholders goes into effect.

The \$7,200,000 is now needed for the purpose of completing the electrical equipment of the road and also for meeting other expenses, such as damages, incurred by the change in motive power. not regarded in Wall street.

After the publication of the mes-After the publication of the message the Trust issues, which would be hurt most by legislation along the lines of the President's recommendation for publicity and State or National supervision, sold off fractionally only. Not a ripple of excitement was created by the Execuecutive's recommendations. Brokers, Wheat Exports from that Counspeculators and bankers alike joined in saying that the paper was a conservative one and correctly set forth the general prosperity of the nation.

Up to noon the market enjoyed a steady advance which resulted in the highest price of several weeks for day on account of exports of wheat from some of the issues. The realizing that country to London. sales just prior to the appearance of be thus shipped out. the message sent prices off a little, San Francisco is also demanding mor but much of the advance was held.

the day in the money situation was not greatly disturb the financial district the advance in call money rates to Possibilities of a loss of gold to Europ 7 and 71-2 per cent. This was have caused much uneasiness recently viewed philosophically by borrowers because they regarded it as helping the holiday disbursements. to postpone gold exports which inforeign indebtedness.

son any temporary expediency such mains at 6 per cent, for sixty and days, and is likely to go higher. as the raising of rates for call money, is looked upon as a necessary evil.

The features of to-day's market were the bullish operations of the "Waldorf crowd" and the Gates-Lambert group in the railroad list. By their jont efforts they sent Louisboosted B. and O., St. Paul and Atchison, apparently for the purpose of profit-taking.

Sugar Trust magnates were heavy dealers in the market, and until the declaration of the regular dividend Sugar was one of the features. It reacted after the declaration.

London's operations through arbitrage houses to-day were particularly eccentric. It first sold nearly everything on the list and then turned buyer.

For the session it bought perhaps 10,000 shares more than it sold and gether.

The advance in L. and N., although brought about purely by speculative efforts, was said to be based upon well-defined reports that the divi-

Cember.

Henry H. Rogers and William Rockefeller started in to-day to give the shorts in Amalgamated Copper a drubbing, and they carried out the programme. They advanced the price from 57 to nearly 60 and are said to have caught Thomas W. Lawson their Boston for the sast of the same and the programme. their Boston foe, short of the stock.

The action of the directors of Man-hattan "L" in increasing the dividend from 4 to 6 per cent, and in calling a at Chicago. was a pretty poor showing, special meeting of stockholders for Wheat was helped by better cables than Jan. 16 kept that issue steady around expected and the firmness of corn.

Day Brings the Annual Declaration Up from 4 to 6 Per

OVERSTREET IS AUTHORITY. CALL TO RATIFY LEASE.

The action that Wall street has been that there would be no currency anxiously awaiting was taken by the legislation in Congress this session. Board of Directors of the Manhattan Elevated Railroad Company to-day, when they increased the quarterly divwhole list showing losses. Congress-idend from 1 to 11-2 per cent.

This will increase the annual dividends qualified to speak on the subject, was per cent. less than the maximum divi-

currency matters would be given attention the news was exceptionally out a notice to the stockholders of the road that here would be a special meet-

also be called upon to vote on the in-President Roosevelt's annual mes- crease of the capital stock from \$48,000, both houses to-day, was discounted holders authorize it, while the re-

try to London May Force Shipment To-Morrow.

Wall street banks may ship gold t

It is said that probably \$1,000,000 wi gold to finance its heavy shipments of The most important movement of the movement of money westward does

There is a noticeable increase in ex evitably must go to settle New York's ports of cotton and other domestic products, and Wall street bankers maintai Foreign indebtedness.

They regard it as essentially necessary that gold be not permitted to go to Europe until after the New Year payments here. For that reason any temporary expediency such ducts, and wall street bankers maintain this will do much to cut down the ball ance New York owes to Europe. Since less Friday the Sub-Treasury has gained \$2,95,000 from the banks. It gained \$1,9008,000 yesterday and over \$500,000 to-day.

Time money, the most important factor in the gold export question, still remains at 8 per cent, for sixty and ninety

CURB SHORTS SQUEEZED.

Northern Securities Advances in Flurry in Outside Market.

The only feature of the outside ma ket to-day was the big advance in Northern Securities stock, which ad ville and Nashville beyond 133 and vanced three points on active trading The flurry was due to shorts, who were squeezed. Quotations for the active stocks were

The Cotton Market.

The local cotton market opened stead; -day with prices two to three point higher. The gains made at the opening under expectations, consider were ing the conditions. Cables wer better than expected, weather condition were not yet favorable and receipts wer small. These conditions, with the crow short after yesterday's selling move ment, warranted a very strong opening but the market did not fully respond. dealt in about 20,000 shares alto- factor in the early market was th strong opposition from the bear traders based presumably on indications for a expanding Southern movement. After the call prices went up quite sharply or forced covering of smaller room shorts the advance reaching four to five points Trading was fairly active.

The grain markets had a steady open ing to-day, and a small trade. Short were buyers of corn on ground that only three cars contract out of 30 arrivals Northwest cars weakened Duluth and

Insiders in New York Central bought the stock steadily to-day on information that the Vanderbilts proposed to advance the dividend rate to a 6 per cent, basis. If this is done it will be at the meeting of the directors early in January.

Late in the afternoon the statement that \$500,000 gold would be shipped to Rio de Janeiro in a day or two, coupled with the announcement that there would be no currency legislation, weakened the market.

Nowthwest cars weakened Duluth and Minneapolis slightly, but the general tope of these markets throughout the first half hour was in keeping with the attackness elsewhere.

New York's opening prices were: Wheat—May, 78 3-4 to 78 7-8; December, 79 3-8. Corn—May, 47 7-8.

Chicago's closing prices were: Wheat—May, 75 1 yilly, 75 1 becember, 53 7-8 to 54.

New York's closing prices were: Wheat—December, 59 1-8; May, 75 5-8 to 67 1-2; July, 47 2-8; May, 48 3-3 bid.

Chicago's dosing prices were: Wheat—December, 59 2-4 bid; January, 53 3-4 bid; February, 51 1-2 bid; March, 50 6-8; July, 47 2-8; May, 48 3-3 bid.

Chicago's closing prices were: Wheat—December, 59 2-4 bid; January, 53 3-4 bid; February, 51 1-2 bid; March, 50 6-8; July, 47 2-8; May, 48 3-3 bid.

Chicago's closing prices were: Wheat—December, 59 2-4 bid; January, 53 3-4 bid; February, 51 1-2 bid; March, 50 6-8; July, 47 2-8; May, 48 3-3 bid.

Chicago's closing prices were: Wheat—December, 59 2-4 bid; January, 53 3-4 bid; February, 51 1-2 bid; March, 50 6-8; July, 47 2-8; May, 48 3-8 bid.
